

Specific exclusions from this warranty shall include any adjustment items, parts replaced due to normal wear or due to accidents, routine maintenance including, but not limited to tires, brake shoes, tops, seat covers, transportation, wind damage and any damages or charges incurred in transporting any Advanced EV vehicle or charger to customer as well as to and from a duly authorized Advanced EV Dealer for service.

Specifically excluded also from any Advanced EV warranty is cosmetic Paint or Seat Skin deterioration, weather deterioration and electrical components which are susceptible to fluctuations in current which is beyond the control of Advanced EV as well as lack of yearly maintenance. This warranty also does not apply to Acts of God like power surges or the use of A/C extension cords on charges, non use of a single plug surge protector, or other events over which Advanced EV has no control over.

Transportation charges for warranty service are excluded from this warranty and all replaced parts shall become property of Advanced EV unless released by Advanced EV acknowledgment in email or writing. Any parts repaired/replaced under this warranty shall be warranted for the remainder of the original warranty. This warranty excludes tires.

Lead Acid batteries sold with carts from Advanced EV which have a twelve (12) month warranty on OEM defects from the individual battery manufacturer. Cracks in the case, or post breakage or burnt post are not defects and are classified as abuse and or neglect and are not under warranty. The OEM battery manufacturer handles all warranties of their products for batteries with a warranty over (12) months. Lithium Batteries with Water internally from high pressure Washing.

The warranty can be removed when the vehicle has been tampered with to perform outside the manufacturer's specifications.
